

DECLARATION FOR UTILITY OR DESIGN PATENT APPLICATION
(37 C.F.R. §1.63)

As a below named inventor, I hereby declare:

My residence, mailing address, and citizenship are as stated below next to my name;

I believe I am the original, first and sole inventor or an original, first and joint inventor of the subject matter that is claimed and for which a patent is sought on the invention entitled:

METHOD AND APPARATUS FOR AN IMPROVED LUER FITTING CONNECTION

the specification of which (check one)

☐ is attached hereto.

☒ was filed on September 25, 2006 as United States Application No. 10/594,181 and was amended on August 27, 2007.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge my duty to disclose to the United States Patent and Trademark Office all information that I know to be material to the patentability of this application as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. §119(a)-(d) or (f), or §365(b) of any foreign application(s) for patent or inventor's or plant breeder's rights certificate(s), or §365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's or plant breeder's rights certificate(s) or PCT International application having a filing date before that of the application on which priority is claimed.

ASSIGNMENT AND AGREEMENT

For value received, I, David G. Burton, residing at 604 Glen Arbor Way, Bloomington, Indiana, 47403, U.S.A., hereby sell, assign, and transfer to **Cook Incorporated**, a corporation of the State of Indiana, having an office at 750 N. Daniels Way, Bloomington, IN, 47404, U.S.A., its successors, assigns and legal representatives, hereinafter collectively "Cook," and

For value received, We, Scott K. Philhower, residing at 1200 E. Winners Circle, Bloomington, Indiana, 47401, U.S.A., and Nicholas J. Ely, residing at 410 W. Ritter Street, Ellettsville, Indiana, 47429, U.S.A., hereby sell, assign, and transfer to **Sabin Corporation**, a corporation of the State of Indiana, having an office at P.O. Box 788, Bloomington, Indiana, 47402, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively "Sabin,"

the entire right, title and interest, for the United States of America, and the entire right, title and interest, in and to certain inventions related to "METHOD AND APPARATUS FOR AN IMPROVED LUER FITTING CONNECTION" described in U.S. Non-Provisional Application Serial No. 10/594,181, filed on September 25, 2006, and all the rights and privileges in said application and under any and all Letters Patent or any continuation, division, renewal, or substitute thereof, and any reissue or re-examination thereof that may be granted in the United States for said inventions, together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents. We also concurrently hereby sell, assign and transfer to Cook and Sabin, either jointly or individually, the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Cook and Sabin, either jointly or individually, to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for

patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Cook and Sabin, either jointly or individually, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Cook and Sabin, either jointly or individually, in the United States and in all countries foreign to the United States, or to such nominees as Cook and Sabin, either jointly or individually, may designate.

We agree that, when requested, I/we shall, without charge to Cook and Sabin, but at their expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
